

RPG Fusions Music Pack by T K I M U S E

18 Individual tracks, 6 of which include variable layers to create your own combinations! This pack includes **45 music files**, as well as **13 musical stingers**; a whopping **58 .wav files!**

Over 30+ minutes of music, and that's without extra layer combinations!

All music tracks are seamlessly loopable, meaning that you'll never be left with uncomfortable silence, just a beautiful score inspired by a fusion between western, african and eastern instrumentation and stylistics.
